Children's Book Recycling Project Greater Victoria

### **24,000 Books for Babies and Preschoolers into New Homes - thank you!**

Victoria families have dropped off 24,000 picture books for babies and preschoolers over the last 18 months. Volunteers have sorted and gift bagged these gifts. Strong Start Centres and other community agencies have distributed them monthly into homes where books are in short supply. All Greater Victoria elementary schools are participating.

Please continue to donate your gently used books. Home libraries are the single greatest contributor to literacy in school and in life. Share your extra, no longer needed books and increase literacy for children in your community. Take your books to the pink bin in the school's front entrance.
